Dear Steve,

On behalf of Maninplace Estate Ltd, I would like to express my sincere thanks to you and your colleagues for your donation of 2 desktop computers. Both machines are now on site and in use by our team of staff and volunteers.

As a not-for-profit community enterprise, soon to be charity, our operating cash flow is incredibly small at time and does not allow for large expenditure of items such as new computers. We rely on our computers heavily to manage the organisation and to keep records on the clients we accommodate, so your generous donation is of great value and need to us.

Over the coming months we will be moving into charity status so that we can be open to more funding opportunities and public donations. It is my intention to pay special thanks to local business and individuals that have aided us in our goals and objectives so far. Your company will appear on our honours role and will be published on our website very soon.

Once again, thank you for your support and generosity.

Yours Sincerely,

Mike Holt
